		15 credits	Licensure Practice		_____
					12 credits
			Total Credits:		123

1. Students are encouraged to take NU G 107, but may take any other G 100 level course.

2. Please note: Biol 111 General Biology is a prerequisite for Biol 207, 208 & 209.

3. Upon entry all students must take the Math Placement exam. Chem 130 requires students to place into statistics. All statistics courses require Math 114 or College Algebra or placement into statistics.

4. For RN-BSN students only- 37 nursing credits are awarded upon successful completion of NU 280.

Place an X next to the courses you have already completed, and F05 next to those courses you plan to take in the fall 2005 semester.
